

Joint ESS ILL User Meeting

Thursday, 6 October 2022

Neutrons and Current Climate Challenges - Stora Salen (09:00 - 10:30)

time	[id] title	presenter
09:00	[222] Complex hydrides for energy application	LOHSTROH, Wiebke
09:30	[223] Neutron scattering studies on CO ₂ confined in nanoporous materials: Applications to CO ₂ sequestration and oil recovery	STEFANOPOULOS, Konstantinos
10:00	[224] In situ flow exchange experiments between macropore and soil matrix combining Neutron and X-ray tomographies	BARBOSA, Luis
10:15	[225] Investigating the physical behaviour of novel cyclic poly(lactone)s using SANS	YANG, Philip
