

Joint ESS ILL User Meeting

Thursday 06 October 2022

Large Scale Structures and Soft Matter (15:30-17:00)

time	[id] title	presenter
15:30	[247] Small-angle scattering and neutron reflectometry investigation of ultra-soft colloids in two and three dimensions	SCOTTI, Andrea
16:00	[248] In situ neutron reflectivity studies of vertical polyelectrolyte diffusion in layer-by-layer films in aqueous solutions	SILL, Annekatrin
16:15	[249] Nanoscale wood-water interactions studied with small-angle neutron scattering	PENTTILÄ, Paavo
16:30	[250] Localization of dye molecules in surfactant assemblies via SANS contrast variation	MUELLER, Wenke
16:45	[251] Nanostructure in amphiphile-based deep eutectic solvents	EDLER, Karen
