

Neutrons and Food 2016

Wednesday, 1 June 2016

Fats, Emulsions and Emulsifiers - Palaestra Nedre (15:30 - 17:00)

-Conveners: Grethe Vestergaard Jensen

time	[id] title	presenter
15:30	[1] Quantification of fat crystallite thickness distributions by NMR and small-angle scattering techniques	Prof. VAN DUYNHOVEN, John
16:10	[14] Soybean Oleosomes studied by Small Angle Neutron Scattering	Dr JACKSON, Andrew
16:35	[5] SANS study of the self-aggregation of alkylglycoside surfactants with oligomeric head-groups	Dr SEBASTIANI, Federica
