

5th Annual Neutron Instrumentation
Engineering Workshop

Practical information

19-21 September 2016
European Spallation Source
Lund, Sweden

Organising committee

- Iain Sutton
- Zsuzsa Helyes
- Giuseppe Aprigliano
- Damian Martin Rodriguez
- Anna Gulyachkina
- Paul Barron
- Erik Nilsson +46 (0)721 79 21 32

Sponsors

Primary sponsor

SwissNeutronics

Major sponsors

Location information

Medicon Village Auditorium

ESS HQ

**Location
information**

Conference centre
Location of:
Lilla Tuna
Stora Tuna
Christinehof

ESS HQ
Location of:
Ljuskården
Tänkartanken
Linneasalen

Bus pick up
Site visits
Dinner

Schedule Monday

Welcome - Auditorium (09:00-10:00)

Coffee break - Auditorium (10:00-10:30)

Plenary 1 - Auditorium (10:30-12:30)

Lunch (12:30-13:30)

Parallel session: Detector integration and software communication - Tänkartanken (13:30-15:30)

Parallel session: Improving instrument performance and sample area integration - Linneasalen (13:30-15:30)

Parallel session: Chopper control and electrical shielding - Lilla Tuna (13:30-15:30)

Parallel session: The engineering of radiological shielding and materials in harsh environments - Christinehof (13:30-15:30)

Coffee Break (15:30-16:00)

DENIM Challenge - Ljuskården (16:00-17:30)

Poster Session (16:00-17:30)

DENIM Challenge Aftermath - Ljuskården (17:30-18:30)

*Sign up for
Tuesday workshops
Group photo*

*Lunch at Inspira restaurant
After Lunch move to ESS HQ*

Schedule Tuesday

Orientation - Ljuskården (08:15-08:30)

Workshop: Open source engineering - Stora Tuna (08:30-10:00)

Workshop: Instrument installation and commissioning - Linneasalen (08:30-10:00)

Workshop: Automation for scientific use - Tänkartanken (08:30-10:00)

Workshop: Science requirements to engineering specifications - Christinehof
(08:30-10:00)

Coffee break - Ljuskården (10:00-10:30)

Workshop: Automation for scientific use - Tänkartanken (10:30-12:00)

Workshop: Instrument installation and commissioning - Linneasalen (10:30-12:00)

Workshop: Open source engineering - Stora Tuna (10:30-12:00)

Workshop: Science requirements to engineering specifications - Christinehof
(10:30-12:00)

Lunch - Ljuskården (12:00-13:00)

Site visit

Schedule Wednesday

Workshop session wrap up - Auditorium (09:00-10:00)

Coffee break - Auditorium (10:00-10:30)

Plenary 3 - Auditorium (10:30-12:30)

Close out - Auditorium (12:30-13:00)

Lunch - Inspira (13:00-14:00)

End of conference

Possibility for extra meeting in the afternoon

Talk to the organising committee

Site visit

- Buses leaves at 13.00
- Group 1A and 1B to ESS
- Group 2A and 2B to MaxIV
- After visit groups switch
- After 2nd visit the groups returns to ESS HQ for mingle
- Opportunity for quick stop at your hotel
- Bus leaves at 18.15 for Malmö

Group

Group 1A

Damian
Martin Rodriguez
ESS

Dinner

- Bus leaves at 18.15 for Tango-palatset
- Return bus at 22.15.
- Amiralsgatan 47, Malmö /Karlskronaplan
- Taxi ~40€ +46 (0)40 330 330

Emergency information

- In case of emergency call **112**
- Heart starters
- Reassembly locations in case of fire alarm
 - Medicon Village
 - ESS HQ

Questions

- Thank you for attending DENIM 2016
- Any questions
