17:45-18:00	Upcoming STAP meeting. Tenders (if time).	P. Deen & General discussion		Ken Andersen.

All instruments need to provide feedback in a plenary session on how the meeting has gone (not optional). It will be preceded by a meeting, chaired by Ken, between all the people providing the feedback, in which we look for common themes and see if there are things which the instruments wish to coordinate on for the feedback.
